MT 4 Mobile App Guideline

Download and Installation

Go to the “Apple Store” or “Google Play” on your smart device and search for “MetaTrader 4” or “MT4” to download for FREE.

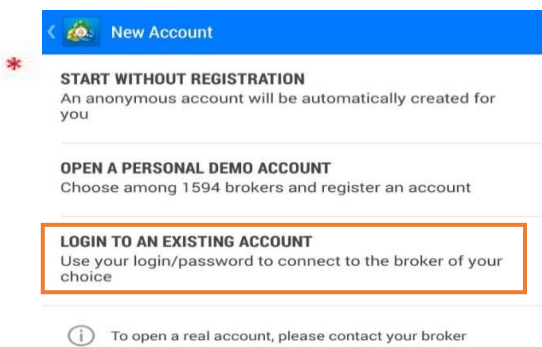

How to Login

Once the installation is completed, you will see the Metatrader 4 icon appearing on your screen. Access the application by tapping on the icon.

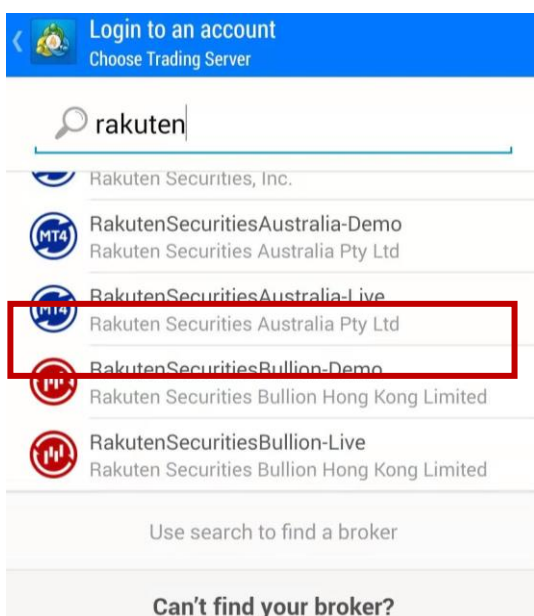

If you have installed MT4 app for the first time, the main login screen with three options will be shown as below:

* If you do not select one of the following three options in 10 seconds, you will be automatically assigned to a Meta Trader 4 demo account (the market liquidity is not provided by RSB).

Please choose **“Login to an existing account”** if you already have a live account with RSB.

Enter **“RakutenSecuritiesBullion”** into the search box and choose the server based on your account type.

Please choose:

“RakutenSecuritiesBullion-Live”
